

The Safety and Reliability Society

Midlands Branch Evening Meeting:

Submarine Nuclear Safety Cases

Speaker: Matt Wilcox, Rolls-Royce plc

Venue: The Pavilion, Rolls Royce Leisure, Moor Lane, Derby DE24 9HY

Date and Time: Tuesday 21st November 2017 at 6-30pm

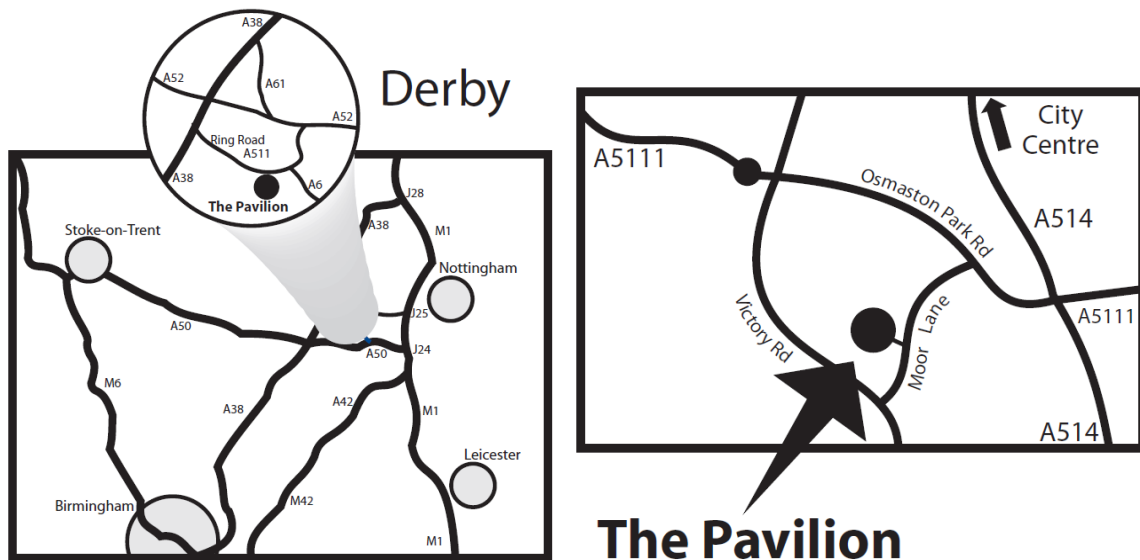

Attendance free, members and non members welcome, refreshments from 6-00 pm.

Summary-

The talk will discuss briefly some key events and accidents that have influenced the regulation of the UK nuclear industry as an introduction to describing Rolls-Royce's current approach to providing nuclear safety cases for the Nuclear Reactor Plants of the Royal Navy's nuclear submarine flotilla.

The talk will be an interesting look at some of the history of UK nuclear regulation and will provide some insights into the assessment techniques and presentational methods of modern nuclear safety cases.
